## Boys' Golf – On the Rise!

### Home Course...

Boys Golf's home course is beautiful **Brookwood Golf Club**. Brookwood offers a par 3 course as well as a great regulation 18 holes, a driving range and super all-around practice facilities. Brookwood also presents free playing privileges during our season to all our Bishop Luers boys on the golf team. Award winning Golf Pros Mike Harris, Bob Kruse and John Balyeat give private golf lessons to many of the boys and will assist them in any way they can!

### Meet the Coaches...

Head Coach **Tom O'Brien** is in his 5<sup>th</sup> year of coaching girls' and boys' golf. Tom started coaching when his daughter, Kristi O'Brien, current Indiana State Amateur Champion, was a senior at Bishop Luers High School.

Assistant Coaches are **Augie Segyde**, **Mark Watts** and **Dan Fink**. All four coaches are very knowledgeable about the game of golf!

### Recent Seasons Recap...

Our Bishop Luers Boys' Golf Team is a team ON THE RISE. In 2010, we had a Varsity team mix of seniors to freshmen. But, when your top golfer is a freshman, it is going to be a tough season. We had a 4-5 SAC record and a 4-9 overall record. In spring 2011, some freshmen from a year earlier really came of age as sophomores, led by two seniors and a solid junior (Parker Watts). The boys improved to a 6-5 overall record and a **12-4 overall SAC record**. We placed a **solid 2<sup>nd</sup> place** in the SAC Tourney! **SOPHOMORE JOE LEJA WON THE SAC INDIVIDUAL TITLE shooting 77**. Then, as an encore in Sectionals, Leja fired a **75** to advance to Regionals. John Fink chipped in with a fine 79. **The top five golfers in 2011 ALL averaged better for the season than the BEST golfer did in 2010!** Now, that is progress! But, the best is yet to come. All top returnees played local PARKS & REC SUMMER TOURNAMENTS and STATE WIDE IGA TOURNAMENTS as well. The improvement of last year's 2011 top players has been very impressive, to say the least! **But we will need incoming freshmen to keep successes coming!!**
