What is LuersKnight?

LuersKnight is a Dinner/Auction held in April in the transformed gymnasium at Bishop Luers. All the money raised at LuersKnight is used for tuition assistance and operating costs for the entire school. The cost to educate one child at Bishop Luers is \$6703. A Catholic student's tuition is \$5520. A portion of the money raised at LuersKnight helps make up this \$1183 difference. The other percentage is utilized for technology, student desks, needs-based tuition assistance, smart boards and teacher retreats.
