This registration flyer is being sent to Show Choirs all over the country! The order in which the 16 selected choirs will perform is determined by the date of registration. All groups compete on an equal basis. The number of performers may not exceed 70.

### Judges

Our panel of six outstanding judges are chosen from academic, talent search, and professional institutions. The seven caption judges have extensive backgrounds in music, education, and performance.

Divisional placement trophies will be awarded to all mixed choirs and also Grand Champion and first runner up trophies in the Girls Competition and Middle School Competition. We use Olympic style scoring with the highest and lowest scores dropped. The top six mixed show choirs will compete in the Grand Championship Performance during the evening session.
