

To the Class of 1970:

After much thought and deliberation your class reunion committee has decided to postpone our 50-year Reunion that was scheduled on October 3rd due to all the uncertainty around the pandemic and the evolving response to it.

HOWEVER, IT HAS ALREADY BEEN RESCHEDULED on Saturday, October 2, 2021 at 6:30PM EDT, Parkview Field Suite Level Lounge.

If you have made travel and/or hotel arrangements, please be sure to cancel them in time to avoid any penalties. You will not be able to book rooms for next year this far in advance so we will let you know what arrangements for rooms are made as early next year as possible.

If any of your contact or significant other information has changed PLEASE LET US KNOW in a reply and keep us in mind if you anticipate retiring and/or changing email addresses, home addresses and/or phone numbers. It takes a LOT of work to keep track of y'all.

Last, please be smart, safe and stay as healthy as possible.... we want to see **EVERYONE IN '21!**
